Blackfin Boats Recognized with NMMA Customer Satisfaction Award!

Williston, Florida -Blackfin Boats is proud to announce that they were the only manufacturer presented with the 2022 Marine Industry Customer Satisfaction Index Award which recognized achievement in high-quality Fiberglass Fishing Boats. This award was presented during the NMMA's State of the Recreational Boating Industry & Awards presentation held on Thursday, February 16th, 2023. This award represents the third year Blackfin Boats has been presented with the distinctive honor of receiving the Marine Industry Customer Satisfaction Index Award.

The Marine Industry CSI Award honors manufacturers that actively measure customer satisfaction and pursue continuous improvement to better serve the consumer. Award recipients are manufacturers that achieved and maintained an independently measured standard of excellence of 90 percent or higher in customer satisfaction over the past year, based on returned survey results provided by consumers purchasing a new boat during the period between January 1st, 2022 and December 31st, 2022.

ABOUT BLACKFIN

Since its birth in 1973, Blackfin has been the gold standard for top-quality fishing boats. Now the brand lives on and it's better than ever. Our current line of boats features both center and dual console boats which range from 22' to 40', with the all-new 40' Center Console debuting at this year's 2023 Miami International Boat show.

Every Blackfin Boat features all the best traits of the original Blackfin classic fishing boat, seamlessly blended with all the latest in innovative technology. Our aim at Blackfin Boats is to build on a legendary brand heritage while incorporating the latest in design, engineering, and materials to deliver state-of-the-art fishing boats unmatched in durability, safety, build quality and warranty.
