## **Blackfin Boats 400CC Wins Boating Industry's Top Product Award**

**Williston, FL** — **Blackfin Boats** is proud to announce the newly released 400CC has been recognized as one of *Boating Industry*'s 2023 Top Products. *Boating Industry*'s tenth annual list of top product award winners was officially announced May 1<sup>st</sup>, 2023, bringing you some of the marine industry's best and most innovative products and services to recently hit the market. Blackfin Boats is honored to be among them.

With Blackfin's 400CC making a very successful debut appearance during the 2023 Miami International Boat show, this award is a true testament to our design and engineering teams unwavering efforts to bring the best and most innovative products to the Blackfin line. Only 50 products are recognized in the *Boating Industry*'s Top Products Award Program out of hundreds of submissions, making this an outstanding achievement for Blackfin Boats.

“From bow to stern, and hardtop to cabin no detail was left unchecked for Blackfin's new 400CC. The new model from Blackfin takes all of the comforts from much larger boats and brings them to a comfortable 40-foot platform while maintaining luxury and comfort. A quick walkthrough of this boat will tell you that the design team set out to create a user-focused flagship with maximum usable space and they accomplished exactly that in the 400CC.”-Adam Quandt, Editor-in-Chief, *Boating Industry*.

With a 40' water line and a 12' beam, you'll find that the 400CC provides a tremendous amount of space and creates a massive presence on the water. Featuring quad Mercury engines with a Max HP of 1800 and the Michael Peters Double Stepped hull, the 400CC reaches up to 70 MPH with ease, making it as fast and agile as it is smooth and efficient where performance and ride are concerned. With a 475-gallon fuel capacity and 100-gallon water capacity, dual rows of custom-designed, heated helm seats, a dynamic aft station, in-floor fish boxes, 70-gallon baitwell, and spacious cabin, all your fishing, cruising, and entertainment activities are sure to exceed all expectations.
